ERCC unveils gift shop

ELKINS — As part of their continual effort to improve service for residents, families and the local community, the Elkins Rehabilitation & Care Center has launched a new website and opened their newly remodeled Gift Shop to the public.

On Thursday, the ERCC Auxiliary opened the facility's renovated and remodeled Gift Shop. The Gift Shop features a new look and layout and has many unique items ideal for gift giving.

"Our Auxiliary volunteers organize and manage the Gift Shop as a way to raise funds for various needs at the facility," said Patricia Summerfield, ERCC administrator. *"They have done a wonderful job to ensure that it is as inviting and enjoyable as the rest of the facility."*

Also at the special launch event Thursday, the more than 50-page website was unveiled by the ERCC Board of Directors and administrative staff. The website shows off the history of the non-profit organization, recent expansion developments to the facility and service areas, and a look at future services to be provided.

"We are so excited to have a new website that mirrors all of the wonderful things that have been happening around our facility," stated Summerfield.

Features of the website include details of the many services that ERCC provides, including levels of care, residential life, admissions information, and employment opportunities.

"Our goal is to ease access to quality care within our community. When individuals need rehabilitation or long-term care services, it can be an extremely stressful time for them and their families," explained Summerfield. *"By providing a centralized, on-line resource about our services and facilities, we hope to lessen that stress and make it easier*

for residents to get the care that they need.”

To view the new website, visit www.ercc.biz. The Gift Shop is open Monday through Sunday from 8 a.m. to 9 p.m.
