Elkins Rehabilitation & Care Center

CMS 5 STAR FACILITY

The staff was treated to a luncheon catered by The Vintage Restaurant, on Friday, February 15 for the achievement of CMS 5 Star Facility rating. The luncheon consisted of Lasagna, salad, garlic bread, cookies and unsweetened tea. As an added bonus they also received "Caring People are Shining Stars" pin. Many thanks goes to all staff for their dedication and care.

We also want to thank the Board of Directors for their support of the Administration and Staff.

CMS implemented the 5 Star Rating System for nursing homes in December 2008 and since that time, this is the first and only time ERCC has achieved the distinguished 5 Star Rating.

Queen Hazel Hanger, left, and King Stanley Gould, right, received their crowns during ERCC's 2019 Valentine celebration for residents. In addition to their crowns, the royal couple received Valentine gifts including teddy bears, chocolates, and a Valentine flower bouquet. A steak dinner with all the trimmings was served to all residents and families in attendance.

ACTIVITIES FOR RESIDENTS

In Woodland Meadows Cafe and the Activity Room on Woodland Village side, there are puzzles that the residents enjoy doing. One of the finished product is of Noah's Ark (top photo); a resident is with another puzzle to be put together (bottom photo). Puzzles are a great hit with our residents. It is also a great time to fellowship with other residents. They enjoy gathering together to accomplish many activities and goals.
