Submitted photo Elkins Rehabilitation & Care Center recently donated \$100 to help fund the Elkins Firemen's Parade, which will be held during the 83rd Annual Mountain State Forest Festival. The Mountain State Forest Festival Firemen's Parade is the largest firemen's parade in the state. Around 25 departments participate, bringing over 60 fire trucks of various sizes to the event. The Elkins Fire Department hosts a dinner and awards ceremony following the parade for the participants.
