HAPPY NEW YEAR-----RECAPS OF THE YEAR 2020

For most of our community, 2020 has not been a “nice” year for us. We have overcome the trials that 2020 has given to us. The residents have been beyond great during this pandemic and we appreciate the cooperation from them and their families. Staff has been diligent in keeping everything as safe as can be. Many thanks goes out to everyone!! Below are some recaps of pictures that we have had during the year.
