GERI OLYMPICS 2022

Once again, the residents of ERCC will be participating in the Geri-Olympics. Last year they won second place in spirit showing. They were called Stan's Golden Girls and had a team of six. This year their name is ERCC Untouchables and have a team of eight. Old Brick Playhouse will again be helping residents and staff. They will participate each week in the month of April. The finals will be on Friday, April. 29. Let's all give the Untouchable team a grand hand in all they have accomplished!!
