CENTRAL ABUSE REGISTRY								
"All service providers in the State of West Virginia are subject to provisions of law creating a central abuse registry. Any person providing services for compensation to children or to incapacitated adults or to adults receiving behavioral health services, who is convicted of a misdemeanor or felony offense constituting abuse, neglect or misappropriation of property of a child or an incapacitated adult or an adult receiving behavioral health services, is subject to listing on the central abuse registry. The fact that a person is listed on the registry may be disclosed in specific instances provided by law. Listing on the registry may limit future employment opportunities, including opportunities for employment with residential care facilities, day care centers and home care agencies. It is the policy of Elkins Rehabilitation & Care Center to promptly report all suspected instances of abuse, neglect, or misappropriation of property to the proper authorities and to cooperate fully in the prosecution of these offenses."
