Elkins Rehabilitation & Care Center

AUGUST EMPLOYEE OF THE MONTH

Rose Sheve

Congratulations goes to Rose Shreve, LPN for being chosen for August Employee of the Month. She currently lives in Elkins with her two “beautiful” children. Her son, Gregory, is eleven years old and is starting Middle School this year. Her daughter, Haylee, is starting to pursue a nursing career. Her plans are to do C.N.A. classes at ERCC. Previously, she was employed at Mountain Memories for almost four years and came to ERCC in April this year. She graduated from Elkins High in 2005 and received her nursing education from Randolph County Technical Center School of Nursing in 2012. Her grandmother, Mary Collins, was a C.N.A at Elkins

Convalescent Hospital (name of the facility at that time) and was given the honor of Employee of the Month. She is currently a resident at ERCC and very proud of her granddaughter. Rose enjoys spending time with her family. She loves helping people and volunteers often at Pioneer Trails Ministry for the homeless and helping the people in the community. If you see Rose, be sure to congratulate her!
